 An additional Content Area #4 course, both ANTH 1000 & GEOG 1700 can be taken _____ 03

A minimum of 60 credits used toward graduation requirements must be comprised of non-business coursework. This 60-credit requirement includes all general education course requirements (above). No more than 9 credits of economics and no more than 6 credits of statistics may be counted as part of these 60 credits. You may have more than 60 credits of non-business course work completed as long as you satisfy the course requirements for your business major on the reverse.

In addition to the General Education Requirements (above), list any language credits completed (as requirements or electives) and any non-business elective credits you have completed in the spaces below:

Total all completed non-business credits – minimum 60 credits required here:

PASS/FAIL RULE: The Pass/Fail option may not be used for any course used to meet the General Education Requirements (above), the course requirements for a major, or any course taken within any of the departments of the School of Business including business electives (ACCT, BADM, BLAW, FNCE, HCMG, HSMG, MEM, MGMT, MKTG, or OPIM).

Please check the General Catalog for specific details regarding your general education requirements, university requirements, and graduation requirements. Students are ultimately responsible for meeting all degree requirements.
