**Important Notes:**

<sup>1</sup> Second language competency requirements should be completed as early as possible.

<sup>2</sup> Students may not enroll in 3000/4000 level business courses until they have earned junior standing with 54 or more credits and completed the seven critical required courses.

<sup>3</sup> Business students must maintain at least a 2.0 cumulative business GPA (ACCT 2001, ACCT 2101, and all 3000/4000 level business courses).

<sup>4</sup> ACCT 2101 may be taken as a junior, however it is recommended by some majors to be taken during the sophomore year.

<sup>5</sup> Students may opt to take ECON 1200 to satisfy ECON 1201 and 1202. ECON 1200 is an intensive course ONLY recommended for students who have a successful background in Economics. ECON 1000 is recommended preparation for ECON 1200.

<sup>6</sup> Only one of ECON 1201 and 1202 can satisfy a Content Area 2 requirement. Either COMM 1000, ANTH 1000 or GEOG 1700 will fulfill the second requirement.

<sup>7</sup> Students who place into ENGL 1004 as a prerequisite for ENGL 1010 or ENGL 1011 (based on their Verbal SAT score: <http://placement.uconn.edu/english.html>), can use the ENGL 1004 credits earned towards elective credits. Honors Scholars take ENGL 2011/3800 (ENGL 2011 is required for Sophomore Honors, see <http://honors.uconn.edu/>).

<sup>8</sup> Other Approved Math Sequences:

1131Q & 1132Q	1120Q & 1121Q & 1122Q	1151Q & 1152Q	2141Q & 2142Q

	1125Q & 1126Q & 1132Q/1070Q		2141Q & 1152Q

<sup>9</sup> COMM 1100 does not fulfill Content Area 2, but is recommended for Accounting majors. COMM 1000 is recommended for students interested in pursuing a COMM minor.

<sup>10</sup> Students are required to complete TWO “W” courses in addition to ENGL 1010/1011/2011/3800. All business majors will take one *writing in the major* course in their junior/senior year, either BADM 4070W or BADM 4075W depending on major requirements. Any other subject/course number containing a “W” can be used as the second “W” requirement.

<sup>11</sup> The University Computer Competency Requirement is fulfilled with OPIM 3103, listed on the reverse side.

**Students are ultimately held responsible for meeting all University and degree requirements.**
