### Elective Courses:

- The degree in business requires a minimum of 120 degree credits of course work; the typical Business student needs approximately 30 elective credits.
- Out of the 120 credits required, a minimum of 60 credits must be from non-business courses. General education requirements on this sheet can be included in the 60 non-business credits. No more than 9 credits of economics and no more than 6 credits of statistics may be counted as part of these 60 credits.
- Common ways to earn electives include: taking non-business courses or completing a minor, studying abroad, completing a dual degree, pursuing academic certificates from the School of Business, and more.

### Important Notes:

1. Sample sequence above includes some space for 3000-level Business courses that are open to Business students with sophomore standing. These courses are not required to be taken in the sophomore year to stay on track. Some 3000-level Business courses have multiple criticals as prerequisites, so if a student plans to take them in the sophomore year, it will likely require an adjustment to the critical sequencing. Decisions to include these courses in a student’s sophomore year should be made in consultation with their Academic Advisor.

2. Second language competency requirements should be completed as early as possible. Students must take care to fulfill the University general education requirements by taking at least two Content Area 2 courses from different subject areas. Use the Content Area planning grid above to ensure all University general education requirements are met.

3. All students in the School of Business are held to the Scholastic Standing Requirements as written in the catalog ([http://catalog.uconn.edu/208-2/#Sch](http://catalog.uconn.edu/208-2/#Sch)), which outlines cumulative GPA requirements based on calculable credits of graded coursework. Additionally, all students must earn a minimum of 2.0 in their term grade point average, their cumulative grade point average and all School of Business courses numbered 3000/4000-level plus ACCT 2001 and ACCT 2101.

4. It is suggested that a student have all Critical Q courses complete before taking ACCT 2001, which is common for students with AP or summer credits. Accounting majors are recommended to take ACCT 2001 in their third year, and ACCT 2101 in their fourth term, so that they are prepared for the 3000-level ACCT coursework in their fifth term.

5. Students may opt to take ECON 1200 to satisfy ECON 1201 and 1202. ECON 1200 is an intensive course ONLY recommended for students who have a successful background in Economics. ECON 1000 is recommended preparation for ECON 1200.

6. Students who place into ENGL 1003/1004 as a prerequisite for ENGL 1010/1011 (based on their Verbal SAT or TOEFL score: [http://placement.uconn.edu/english-placement/](http://placement.uconn.edu/english-placement/)), can use the ENGL 1003/1004 credits towards elective credits. Honors Scholars take ENGL 2011 (required for Sophomore Honors if no AP credit, see [http://honors.uconn.edu/](http://honors.uconn.edu/)).

7. Other approved math sequences include 1131Q & 1132Q, 1131Q & 1070Q; 1151Q & 1152Q; and 1151Q & 1070Q. See the undergraduate catalog for the full list.

8. COMM 1100 is recommended for Accounting majors. COMM 1000 is recommended for students interested in pursuing a COMM minor.

9. HIST 1501 and 1502 are recommended for students who have not completed high school level courses in American Government and American History

10. POLS 1202 is recommended for students who have not completed a High School level course in American Government.

Students are ultimately held responsible for meeting all University and degree requirements.
