## GET INVOLVED AND DEVELOP LEADERSHIP SKILLS

- Join a Student/Community Group or Organization**  
These are great ways to build the skills desired by employers and communicate to the admissions committee that you are an active and engaged student. Whether you choose something in business or in other areas of interest, engagement is something we highly value. Engagement focused in the area of business will help enhance your knowledge and understanding of a business major.
  - **Student Organizations in the School of Business**  
[undergrad.business.uconn.edu/student-orgs](http://undergrad.business.uconn.edu/student-orgs)  
*Most organizations are open to students who have an interest in Business from any major. Please check website for more details.*
