A **minimum** of 60 credits used toward graduation requirements must be comprised of non-business coursework. This 60-credit requirement includes all general education course requirements (above). No more than 9 credits of economics and no more than 6 credits of statistics may be counted as part of these 60 credits. You may have more than 60 credits of non-business course work completed as long as you satisfy the course requirements for your business major on the reverse.

In addition to the General Education Requirements (above), list any language credits completed (as requirements or electives) and any non-business elective credits you have completed in the spaces below:
