

UNDERGRADUATE MINOR IN ENTREPRENEURSHIP

Open only to non-Business students

Take Your Innovative Business Ideas to the Next Level

Entrepreneurial companies are at the core of economies throughout the world. In the United States, entrepreneurial firms employ nearly 60% of our workforce, account for 66% of all job growth, and produce half of our country’s gross domestic product.

The Minor in Entrepreneurship is designed to offer a basic understanding of entrepreneurship topics. Students take various Business courses including Managerial and Interpersonal Behavior, Risks and Rewards of Entrepreneurship, and New Venture Management.
