Students are ultimately responsible for ensuring all degree requirements are met.

- Refer to the Undergraduate Catalog for course descriptions and details relating to all requirements, including alternate MATH and ECON selections. (catalog.uconn.edu)
- Refer to the School of Business website for recommendations, FAQs, and other helpful information. (undergrad.business.uconn.edu/advising/gen-eds)
- All students should regularly run their Academic Requirements Report in StudentAdmin to monitor progress towards degree requirements. Students graduating are encouraged to submit their final plan of study through StudentAdmin once they have completed registration for their final term, or within the first two weeks of their final term to allow for time to make adjustments to their schedules if necessary. SAMPLE SEQUENCE FOR FIRST TWO YEARS
This includes some space for 3000-level Business courses that are open to Business students with sophomore standing (see page 2). These courses are not required to be taken in the sophomore year to stay on track. Some 3000-level Business courses have multiple criticals as prerequisites, so if a student plans to take them in the sophomore year, it will likely require an adjustment to the critical sequencing. Decisions to include these courses in a student’s sophomore year should be made in consultation with their Academic Advisor.

Students who place into ENGL 1003/1004 as a prerequisite for ENGL 1010/1011 (based on SAT or TOEFL score: placement.uconn.edu/english-placement) can use the ENGL 1003/1004 credits towards elective credits. It is recommended that Honors Scholars take ENGL 1011 in place of ENGL 1010/1011 (see honors.uconn.edu).

Required Elective Courses: A degree in business requires a minimum of 120 credits, including electives. At least 60 of the 120 credits must be from non-business subjects (gen-eds are included in the 60 non-business calculation). The typical Business student needs approximately 30 elective credits, and electives should be distributed throughout all terms. Common ways to earn electives include: taking non-required courses to improve specific skills or competencies, taking language courses, studying abroad, completing a minor in a non-Business or Business subject, completing a dual degree, and more.

Scholastic Standing Requirement: All students in the School of Business are held to the Scholastic Standing Requirements as written in the catalog, which outlines cumulative GPA requirements based on calculable credits of graded coursework and requires all critical courses to be complete by the end of the student’s fourth term. Additionally, all students must earn a minimum of 2.0 in their term grade point average, their cumulative grade point average and all School of Business 3000/4000 level courses plus 2000-level Accounting courses.

Courses fulfilling CA1, CA2, and CA3 must be drawn from at least six different subject areas; one CA4 course can “double dip” with CA1, CA2, or CA3. All courses that are Content Area 2 (Social Sciences) courses. Students must take care to fulfill the University gen-ed requirements by taking at least two Content Area 2 courses from different subject areas. Use the Content Area planning grid above to ensure all University general education requirements are met.
