

# UNDERGRADUATE MINOR IN HEALTHCARE MANAGEMENT AND INSURANCE STUDIES

## BECOME A LEADER IN HEALTHCARE MANAGEMENT

The health care field is one of the largest industries in the United States and growing. 2.5 trillion dollars were spent in 2010, which is approximately 17% of GDP. It is expected to grow rapidly as “baby boomers” age.

The Minor in Healthcare Management and Insurance Studies is designed to offer a basic understanding of healthcare and insurance topics. Students take various Business courses including Introduction to Health Care Management and Health Care Industry Analysis, and may choose from other courses including Risk Management and Insurance, and Health Law and Policy.
