Develop a Strong & Intentional Plan

**Early:** The strongest applicants are students who choose coursework intentionally and begin to pursue upper division non-Business coursework in their first two years. Consider major/minor combinations that will help you to achieve your academic and professional goals.

**NOTE:** Courses fulfilling CA1, CA2, and CA3 must be drawn from at least six different subject areas; one CA4 course can "double dip" with CA1, CA2, or CA3.
