

# UNDERGRADUATE MINOR IN ENTREPRENEURSHIP

*Open only to non-Business students*

## Take Your Innovative Business Ideas to the Next Level

Entrepreneurial companies are at the core of economies throughout the world. In the United States, entrepreneurial firms employ nearly 60% of our workforce, account for 66% of all job growth, and produce half of our country's gross domestic product.

The Minor in Entrepreneurship is designed to offer a basic understanding of entrepreneurship topics. Students take various Business courses including Managerial and Interpersonal Behavior, Risks and Rewards of Entrepreneurship, and New Venture Management.

### POLICIES

- Credits from internships cannot be used to satisfy requirements of the Entrepreneurship minor.
- No more than one 3-credit course used to satisfy requirements for this minor may be from any transfer or Education Abroad credits earned.
- Courses designed for students pursuing this minor can be found in the Business Administration (BADM) course description section of the Catalog.
- Non-Business majors may attempt no more than 18 credits (approximately 6 courses) of 3000/4000-level coursework offered by the School of Business, which includes work transferred in as equivalent to courses offered by the School of Business. View the University Catalog for additional details.
- Students may use the online permission number request form when unable to self-enroll in a course used for the minor, noting all pre-requisites must be met to be granted permission to take a course
- Unless a higher standard is noted in the description of a specific minor program, completion of a minor requires that a student earn a "C" (2.0) grade or better in each of the required courses for that minor.
