**SAMPLE SEQUENCE FOR FIRST TWO YEARS**

This includes space for 3000-level Business courses that are open to Business students with sophomore standing (see page 2). Note that these courses are not necessarily required to be taken in the sophomore year to stay on track. Some 3000-level Business courses have multiple criticals as prerequisites, so if a student plans to take them in sophomore year, it will likely require an adjustment to the critical sequencing. Decisions to include these courses in a student’s sophomore year should be made in consultation with an Academic Advisor.

**Students are ultimately responsible for ensuring all degree requirements are met.**

- Refer to the Undergraduate Catalog for course descriptions and details regarding all requirements, including alternate MATH and ECON selections. (catalog.uconn.edu)
- Refer to the School of Business website for recommendations, FAQs, and other helpful information. (undergrad.business.uconn.edu/academics/gen-ed)
- All students should regularly run their Academic Requirements Report in StudentAdmin to monitor progress towards degree requirements. Graduating students are encouraged to submit their final plan of study through StudentAdmin once they have completed registration for their final term, or within the first two weeks of their final term, to allow for time to make adjustments to their schedules if necessary.
