POLICIES

Seek permission numbers at: undergrad.business.uconn.edu/forms

In addition to courses, be sure to plan for the minor requirements below:

- MEM students are required to take both OPIM 3601 and 3602, and can use one of them as the 4th 3000/4000-level OPIM course
- This minor is not open to Business Data Analytics majors or Analytics and Information Management (formerly MIS) majors.
- Students must earn a C+ or better in each of four (4) minor courses.
- Students not enrolled in the School of Business must obtain permission to take OPIM courses for the minor.
- Students may earn only one minor in business disciplines. A student may earn a second minor if it is offered jointly by the School of Business and another School or College, and all coursework used to satisfy that second minor is from non-Business coursework. View the University Catalog for additional details.
